

Aftersun gel met aloe vera 125ml

Directions: Apply aftersun gel generously over sun burnt areas of the body. Apply onto clean, dry skin.

Warning: Avoid contact with eyes. Rinse with water if irritation occurs. For external use only.

Storage: Keep out of direct sunlight.

island Tribe A aftersun Gel provides Icy cool, refreshing aftersun relief.

The gel product „cools down” moisturizes and rehydrates sun-exposed skin after a day outdoors.

The naturel aloe vera product helps heal and protect sunburn skin.
